Sexual & Reproductive Health
Care, Education, Advocacy.

A three-day workshop for nurses, psychologists, social workers, general practitioners and other professionals who support clients presenting with unplanned pregnancy

Clients presenting with unplanned pregnancies often require specialist care and support. This interactive workshop gives health professionals a broader understanding of the reasons for unplanned pregnancy, the options available to clients and the possible issues a client faces when making a decision.

Details

Dates: 09–11 November 2009

Time: 9:00am–4:30pm

Registration: 8:45am

Cost: \$440.00 (GST included).

Morning and afternoon tea provided

Venue: Family Planning Victoria, 901 Whitehorse Road, Box Hill Vic 3128

The three-day workshop involves discussion and practical clinical skill development.

It utilises the knowledge and experience of experts from a wide range of professional backgrounds including medical, legal, nursing and social work.

The workshop is designed to enhance the practice of:

- nurses
- psychologists
- social workers
- general practitioners
- other professionals with an interest in the area

Workshop entitlements

- All participants receive a Certificate of Attendance
- The course is recognised for General Practitioner Medicare rebates for non-directive pregnancy support counselling.
- An application has been lodged with the RACGP QA & CPD Program for 40 Category 1 points for the 2008-2010 triennium. The outcome of this application will be published at a later date.
